

Everything in one place - The new EFB platform

WHAT YOU NEED TO KNOW

On 21.09.2022 we will merge the online shop and website into one platform. To make transition comfortable for you, you will find the most important information here:

CREATE NEW PASSWORD

When you log in to the new online platform for the first time, you must create a new password.

NO LOSS OF DATA

All data stored in your current customer account (order history, orders, price lists, user profile) is automatically transferred to the new platform.

ONE URL FOR EVERYTHING

As of 21.09.2022 we no longer distinguish between online shop and website. You can reach everything via www.efb-elektronik.com.

By the way: Under www.efb-elektronik.de/en/account/login you will be lead directly to the registration area. There you can log in or create a new customer account.

ORDERS

You can place your order via the current URL until 20.09.2022. As of Wednesday, 21.09.2022, we will switch to the new platform.

CONNECTION TO OWN SYSTEM

All existing OCI interfaces remain in place.

I HAVE QUESTIONS

If you need help or have any questions, please get in touch with your personal contact.

Everything in one place - your advantages

From shopping to information, from products to solutions: You will find the whole EFB world at one URL

Your customer portal: individually - tailored to your needs

Your most important documents clearly stored: Quotations, order confirmations, delivery notes, invoices, price lists and electronic catalogues.

View availabilities, prices and discounts:

My contact person: You can easily find the contact details of your sales person when logged in without any additional search.

Simply switch between languages: From now on you can switch back and forth between several languages without having to log in again

Faster to the goal:

Save time: Use the improved filtering and sorting options that enable you to search efficiently. The simplified, streamlined navigation and optimised product structure guide you intuitively through the content.

Discover new products and offers

With the new categories you will find the latest products and current offers - enjoy!
