DATASHEET

Full Metal Cover E-GP15 with strain-relief

General data

The D-Sub full metal hood E-GP 15G in silver from EFB-Elektronik is designed as a hood made of die-cast zinc for 15-pin connectors. With a 180° cable outlet and straight cable entry, it is suitable for compact and standard-compliant cable connections in technical applications.

- Full metal hood made of die-cast zinc in silver
- Suitable for 15-pin D-Sub connectors
- Cable outlet 180° with straight cable entry

The zinc die-casting material supports a robust and practical protection solution for technical applications where a precisely fitting cover for D-Sub interfaces is required. The maximum cable diameter of 8.0 mm takes into account common cables and facilitates integration into existing systems.

Technical details
- Type: E-GP 15G
- Material: Zinc die casting
- Colour: silver
- Suitable for Number of Poles: 15
- Cable entry: straight
- Max. cable diameter: 8.0 mm
- Brand: EFB-Elektronik

Technical properties

Locking mechanism	Screw
Material	zinc die-cast
Separable	True
Two piece	True
