DATASHEET

E-DH15 Cover black

General data

The D-Sub hood E-DH black from EFB-Elektronik is designed as a plastic hood for 15-pin connectors. The black version with 180° cable outlet and straight cable entry supports a clean and functional coverage of D-Sub interfaces.

- Plastic hood in black finish
- Suitable for 15-pin D-Sub connectors
- Cable outlet 180° with straight cable entry

The material plastic provides a robust and practical protection solution. The maximum cable diameter of 8.0 mm takes into account common cables, while the temperature range of -25 to 70 °C covers use in a wide range of technical environments.

Technical details
- Type: E-DH 15
- Material: Plastic
- Colour: black
- Suitable for Number of Poles: 15
- Cable entry: straight
- Temperature range: -25 – 70 °C
- Max. cable diameter: 8.0 mm
- Brand: EFB-Elektronik

Technical properties

Locking mechanism	Screw
Material	Plastic
Separable	True
Temperature range	-25 – 70 °C
Two piece	True
