

DATASHEET

E-DH15 Cover grey

General data

The D-Sub hood E-DH gray from EFB-Elektronik is designed as a plastic hood for 15-pin connectors. With a 180° cable outlet and straight cable entry, it supports compact and standard-compliant cable connections in a wide range of applications.

- Version in grey plastic housing
- Designed for 15-pin D-Sub connectors
- 180° cable outlet with straight cable entry for compact installation situations

The material plastic offers a robust and at the same time practical protection solution for technical applications where a precisely fitting cover for D-Sub interfaces is required. The D-Sub plastic housing in grey is suitable for use in existing systems and takes into account common cables with a maximum cable diameter of 8.0 mm. The temperature range of -25 – 70 °C complements the usability in typical technical environments.

Technical details

- Type: E-DH 15
- Material: Plastic
- Colour: grey
- Suitable for Number of Poles: 15
- Cable entry: straight
- Temperature range: -25 – 70 °C
- Max. cable diameter: 8.0 mm
- Brand: EFB-Elektronik

Technical properties

Locking mechanism	Screw
Material	Plastic
Separable	True

This datasheet was created automatically on 24-10-2026 . Technical changes reserved.
