DATASHEET

48V DC industrial power supply

General data

Power supply unit for Din Rail installation for operating e.g. Industrial switching

Metal housing
1∅, full range input
Compact size, 32 ~ 85,5 mm width
EMV EN55022 Class B
Mount on industrial rails TS-35 / 7.5 or 15
3 year warranty

Technical properties

1st secondary output voltage	48 V
Depth	125.2 mm
Height	102 mm
Rail mounting possible	True
Width	32 mm

Available variants

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
