

# DATASHEET

## TM11P-88P(61) Guide plate, 1 piece

### General data

Cable entry max. 5,8mm

Crimptool for connector is DCW1002+DCW1002.1 or 39934.2

### Technical properties

|                                   |           |
|-----------------------------------|-----------|
| AWG-range for litz wire conductor | 26 - 27   |
| Casing material                   | PC        |
| Category                          | 5e        |
| Connection type                   | crimp     |
| Dust cover                        | false     |
| For UAE suitable                  | False     |
| Model                             | plug      |
| Special tool necessary            | True      |
| Suitable for flat cable           | False     |
| Suitable for litz wire conductor  | True      |
| Suitable for round cable          | True      |
| Suitable for solid core           | False     |
| Type of connector                 | RJ45 8(8) |
| Type of locking                   | Crimp     |

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.
