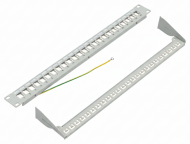
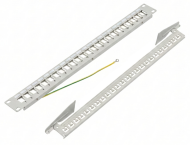
DATASHEET

Distribution panel 19" 1U, 24-port, metal, foldable, gray RAL7035





General data

Patch panel for accommodating Keystone modules with foldable cable support. Space-saving packaging, integrated cable management, and easy labeling for structured network cabling.

- For accommodating modules in Keystone format
- Foldable cable support compared to the standard version
- Space-saving packaging with only half the dimensions of the standard packaging
- Integrated cable management for neat cable routing
- Strain relief via cable ties
- Labeling fields for easy port identification
- Includes mounting accessories and cage nuts
- Delivery without modules

DATASHEET

Distribution panel 19" 1U, 24-port, metal, foldable, gray RAL7035

Technical properties	
Depth	93.8 mm
EMC-version	False
Height	44.2 mm
Material	Metal
Number of height units	1 U
Type of plug-in connector system	Keystone
Width	482.6 mm
With buses/couplings	False

Available variants

ArtNr.	Bezeichnung	Colour	Number of connector holes	Suitable for adapter	Assembly	RAL number
37578.3	Distribution panel 19" 1U, 24-port, metal, foldable, gray RAL7035	grey	24	Keystone	Without	7035

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
