

DATASHEET

LSA-earth module 1/84 84pole

General data

Connection Module with LSA terminal according to DIN 41611-6 for mounting on LSA Backmount Frames
 For copper cores with a diameter of 0.4 - 0.8mm
 All contacts jumpered with the earth connection
 For screw fastening
 Fixing dimension 170 mm

Technical properties

Built-in possibility for over voltage protection	False
Colour	red
Connection type	LSA Plus
Model	Earthing strip
Mounting dimension	170 mm

Available variants

ArtNr.	Bezeichnung	With colour code	Number of poles	With strip code
46002.1V2	LSA-earth module 1/84 84pole	False	84	False

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.
