DATASHEET

LSA Connection Module 2/10 10pairs with Colour Code

General data

Connection Module with LSA terminal according to DIN 41611-6 for mounting on LSA Backmount Frames
For copper cores with a diameter of 0.4 – 0.8mm
With large routing eyes, printed with numbers 1..0
Cable and routing side permanently connected

Technical properties

Built-in possibility for over voltage protection	True
Colour	grey
Connection type	LSA Plus
Height	30.0 mm
Length	128.0 mm
Model	Connection strip
Mounting dimension	96 mm
Width	22.0 mm

Available variants

ArtNr.	Bezeichnung	With colour code	With strip code	Max. number of dual cores
46006.1	LSA Connection Module 2/10 10pairs w/o Colour Code	False	True	10
46006.1F	LSA Connection Module 2/10 10pairs with Colour Code	True	True	10

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.
