

DATASHEET

LSA Adapter Disc. Module 10 pairs / Screw Terminals

General data

Connection Module with LSA terminal according to DIN 41611-6 for mounting on LSA Backmount Frames

For copper cores with a diameter of 0.4 - 0.8mm

Disconnection module with 20 screw contacts on the routing side for wires up to 2.5 mm²

Technical properties

Built-in possibility for over voltage protection	True
Colour	grey
Connection type	Other
Model	Connection strip
Mounting dimension	96 mm

Available variants

ArtNr.	Bezeichnung	With colour code	With strip code	Max. number of dual cores
46085.1	LSA Adapter Disc. Module 10 pairs / Screw Terminals	False	False	10

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 20-09-2026 . Technical changes reserved.
