## Adapter SC Duplex OM4 erica violet

### General data

SC Duplex Adapter with Plastic Housing

### Technical properties

|                               |                      |
|-------------------------------|----------------------|
| Accessories                   | Self-Tapping Screw   |
| Colour Dust Cover             | Black                |
| Conform to Standard           | IEC61754-4           |
| Construction type             | SC-Duplex            |
| Dust cover                    | True                 |
| Height                        | 9.3 mm               |
| Internal Shutter              | False                |
| Length                        | 27.5 mm              |
| Material housing              | Plastic              |
| Material sleeve               | Ceramics             |
| Operating temperature         | -40 - 75 °C          |
| Packaging                     | Polybag              |
| Scope of deliveryLieferumfang | 1 coupling, 2 screws |
| Storage Temperature           | -40 - 85 °C          |

This datasheet was created automatically on 23-09-2026 . Technical changes reserved.

## Adapter SC Duplex OM4 erica violet

|                                |                    |
|--------------------------------|--------------------|
| Type of connector connection 1 | SC-Duplex          |
| Type of connector connection 2 | SC-Duplex          |
| Type of fastening              | Screw/snap in      |
| Type of housing                | With flange        |
| Type of locking                | Latching mechanism |
| Width                          | 35.0 mm            |

### Available variants

| ArtNr.  | Bezeichnung                        | Category Colour |              | Insertion loss<br>850nm | Model | Suitable for type of<br>fibre |
|---------|------------------------------------|-----------------|--------------|-------------------------|-------|-------------------------------|
| 53333.1 | Adapter SC Duplex OM4 erica violet | OM4             | erica-violet | < 0,2 dB                | SC    | Multi mode                    |

### Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 23-09-2026 . Technical changes reserved.
