

# DATASHEET

## 19" Socket Strip 8 x CEE 7/3 Red, Cable C14 for UPS, RAL7035

### General data

Socket strip PROFiversal 8-way for use with UPS devices

With integrated fuse 10 A

45° turned socket inserts in aluminium profile

Cable 2.0 m grey, H05VV-F 3G 1.5 mm<sup>2</sup>, 250 V AC / 10 A with IEC C14 plug straight, rewirable

Included metal brackets allow any fastening position

### Technical properties

|                                         |                      |
|-----------------------------------------|----------------------|
| Angle rotated central insert            | 45°                  |
| Colour of power cord                    | grey                 |
| Core cross section                      | 1.50 mm <sup>2</sup> |
| Degree of protection                    | IP20                 |
| Halogen free                            | No                   |
| Housing shape                           | Rectangular          |
| Length of power cord                    | 2.0 m                |
| Mains filter                            | False                |
| Material                                | Metal                |
| Material quality                        | Aluminium Aluminium  |
| Max. connected load                     | 3680 W               |
| Mounting dimension (standardised)       | 465 mm               |
| Nominal current                         | 16 A                 |
| Nominal voltage                         | 250 V                |
| Number of height units (U)              | 1 U                  |
| Number of phases                        | 1                    |
| Over voltage protection                 | False                |
| Packaging                               | cardboard box        |
| Residual current circuit breaker (RCCB) | False                |
