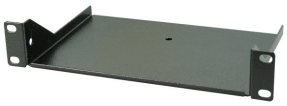
DATASHEET

10" 1U Shelf, RAL7035



General data

The 10" 1U shelf from EFB-Elektronik is designed for mounting on the 10" profiles at the front and adds a compact storage level to wall enclosures of the 10" cabinet series. The grey version with RAL 7035 and the steel construction are designed for functional integration in the interior structure.

• 254 mm wide by 44 mm high – Makes compact use of the available space in the 10" cabinet and creates a clearly defined storage area.
• Mounting on the front 10" profiles – Positions the shelf directly in the front installation area and facilitates integration into existing bodies.
• Steel version with 5 kg payload – Provides a robust solution for lightweight components and accessories in the wall-mounted 10" environment.

Technically, it is a shelf with a usable width of 210 mm and a usable depth of 150 mm. The total depth is 150 mm, which means that the design is tailored to compact installation situations in 10" wall-mounted enclosures. The scope of delivery includes 1 x shelf and mounting material. The packaging is in cardboard and polybag.

Technical details
• Brand: EFB-Elektronik
• Design: Shelf
• Construction/use: For mounting on the front 10" profiles
• Cabinet Series: Wall Mounted Enclosure 10"
• Width: 254 mm
• Height: 44 mm
• Depth: 150 mm
• Usable width: 210 mm
• Usable depth: 150 mm
• Colour: grey

DATASHEET

10" 1U Shelf, RAL7035

- RAL number: 7035
- Load capacity: 5 kg
- Material: Steel
- Scope of delivery: 1 x shelf, mounting material
- Packing: carton, polybag

Technical properties	
Cabinet Series	Wall Housings 10"
Material	Steel
Model	Shelf
Packaging	Cardboard, Polybag
Scope of delivery	1 x Shelf, Mounting accessories
Structure/Use	For mounting on the front 10" profiles

Available variants

ArtNr.	Bezeichnung	Colour	Depth	Max. Load	Width	Height	RAL-number	Usable Width	Usable Depth
691820GR.1	10" 1U Shelf, RAL7035	grey	150 mm	5 kg	254 mm	44 mm	7035	210 mm	150 mm
691820TS.1	10" 1U Shelf, RAL9005	black	150 mm	5 kg	254 mm	44 mm	9005	210 mm	150 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
