DATASHEET

10" 1U Shelf, RAL9005

General data

The 10" 1U shelf from EFB-Elektronik is designed for mounting on the front 10" profiles and offers a compact, stable storage surface for components in the wall housing. The black steel version combines a clear installation situation with a resilient construction for professional use.

• Mounting on the front 10" profiles – Creates a defined storage level directly in the designated installation space and facilitates clean integration.
• Black steel construction with 5kg load capacity – Provides a sturdy base for lightweight appliances and ensures reliable use in the cabinet.
• 210 mm usable width and 150 mm usable depth – Makes efficient use of the available space and supports compact assembly in a 10" environment.

In terms of technical design, the shelf is reduced to a clear mechanical function and adapted for use in 10" wall-mounted enclosures. With a width of 254 mm and a height of 44 mm, the design remains compact, while the steel material ensures stable load transmission. The scope of delivery includes the shelf and the mounting material, and packaging is in cardboard and polybag.

Technical details
• Design: Shelf
• Width: 254 mm
• Height: 44 mm
• Material: Steel
• Colour: black
• Load capacity: 5 kg
• Usable width: 210 mm
• Usable depth: 150 mm
• Construction/use: For mounting on the front 10" profiles

DATASHEET

10" 1U Shelf, RAL9005

- Scope of delivery: 1 x shelf, mounting material
- Packing: carton, polybag
- Cabinet Series: Wall Mounted Enclosure 10"
- RAL number: 9005

Technical properties	
Cabinet Series	Wall Housings 10"
Material	Steel
Model	Shelf
Packaging	Cardboard, Polybag
Scope of delivery	1 x Shelf, Mounting accessories
Structure/Use	For mounting on the front 10" profiles

Available variants

ArtNr.	Bezeichnung	Colour	Depth	Max. Load	Width	Height	RAL-number	Usable Width	Usable Depth
691820GR.1	10" 1U Shelf, RAL7035	grey	150 mm	5 kg	254 mm	44 mm	7035	210 mm	150 mm
691820TS.1	10" 1U Shelf, RAL9005	black	150 mm	5 kg	254 mm	44 mm	9005	210 mm	150 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
