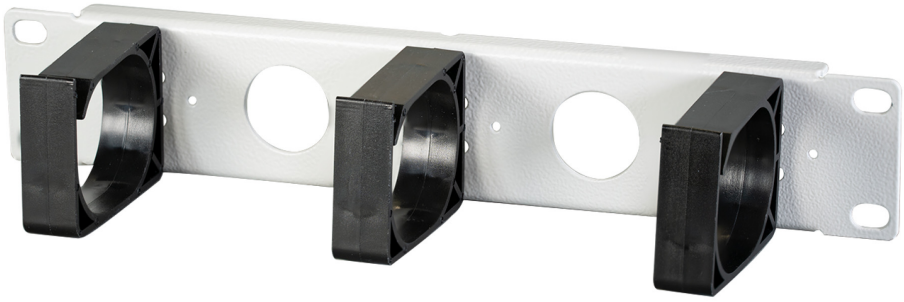
DATASHEET

10" 1U Cable Routing Panel, RAL9005



General data

The 10" 1U cable management panel from EFB-Elektronik is designed for structured cable routing in wall enclosures of the 10-inch series. The compact design with a black, powder-coated surface combines a clear function with a robust design for practical use.

• 1U cable routing for 10" wall enclosures – Creates compact and clearly defined routing of cables in a small installation space.
• Two round cable grommets with a diameter of approx. 25 mm – Enable targeted entry and exit of the cables and support a clean installation.
• Steel construction with plastic brackets – Combines mechanical stability with practical cable routing in daily operation.

In terms of technical construction, the panel is designed for a width of 254 mm, a height of 44 mm and a length of approx. 80 mm. The temple length is 70 mm. Steel and plastic are used as materials, the surface is powder-coated and the colour scheme complies with RAL 9005. This means that the design is designed for functional integration into wall enclosures with a 10-inch structure.

Technical details
• Number of height units: 1 U
• Design: Cable routing
• Construction/use: With 2 round cable grommets, diameter approx. 25 mm
• Width: 254 mm
• Height: 44 mm
• Length: approx. 80 mm
• Temple length: 70 mm
• Colour: black
• Finish of the surface: powder-coated
• Material: steel, plastic temple

DATASHEET

10" 1U Cable Routing Panel, RAL9005

- RAL number: 9005
- Cabinet Series: Wall Mounted Enclosure 10"
- Scope of delivery: 1 x cable management panel

Technical properties	
Cabinet Series	Wall Housings 10"
Category	Kabelführung
Material	Steel, plastic bracket
Model	Kabelführung
Number of brackets	3
Scope of delivery	1 x Kabelführungspanel
Structure/Use	Mit 2 runden Kabeldurchführungen, Durchmesser ca. 25 mm.
Suitable for 19 inch mounting	False
Surface Finishing	pulverbeschichtet

Available variants

ArtNr.	Bezeichnung	Bracket Length	Colour	Height	Length	Number of height units	RAL	Width
691820GR.2	10" 1U Cable Routing Panel, RAL7035	70 mm	grey	44 mm	ca. 80 mm	1 U	7035	254 mm
691820TS.2	10" 1U Cable Routing Panel, RAL9005	70 mm	black	44 mm	ca. 80 mm	1 U	9005	254 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
