

DATASHEET

Fronttür für Wandgehäuse 691912GR.80, mit Scharnieren und Schloss

General data

The one-piece front door for wall enclosures in grey RAL 7035 is designed for cabinet widths of 600 mm and an overall height of 12 U. It combines a visible glass design with a compact construction that is only 22 mm deep and is designed for use as a hinged door with swing handle.

- 12U and 600 mm cabinet width – Creates a custom-fit front solution for wall-mounted enclosures in a 19-inch environment.
- Glass door as a viewing door with swing handle – Enables visual inspection and practical access to the equipment.
- 1-point pre-latch access – Reliably secures the front and supports use in controlled indoor areas.

In terms of technical construction, the door relies on glass as a material and on side elements made of aluminium. The surface of the aluminium elements is powder-coated and finished in RAL 7035. With a width of 515 mm, a height of 545.3 mm and a depth of 22 mm, the design matches the overall width of 600 mm. The scope of delivery includes the door including hinges and two keys.

Technical details

- Number of doors: 1
- Degree of protection: IP20
- Type of closure: 1-point quarter-turn latch
- Design: Hinged door
- Transparent door version: Yes
- Front door version: glass door, one-piece, with swing handle
- Front door opening angle: approx. 120 °
- Width for cabinet installation: 600 mm
- For cabinet width: 600 mm
- Width: 515 mm
- Height: 545.3 mm

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.

DATASHEET

Fronttür für Wandgehäuse 691912GR.80, mit Scharnieren und Schloss

- Depth: 22 mm
- Surface finish: powder-coated aluminium elements
- Material: glass, side elements aluminium
- Colour: grey
- RAL number: 7035
- Cabinet Series: Wall Enclosure 1/2 Piece
- Scope of delivery: door, incl. hinges, 2 x keys

Technical properties

Cabinet Series	Wall Housings 1/2-part
Degree of protection	IP20
Door opening angle	ca. 120 °
For Cabinet Width	600 mm
Material	Glass, side elements aluminium
Model	Stop door
Number of height units (U)	12
Profile half-cylinder exchangeable	False
Scope of delivery	Tür, inkl. Scharnieren, 2 x Schlüssel
Structure/Use	Glastür, einteilig, mit Schwenkhebel
Surface finishing	Aluminium elements powder-coated
Type of closure	Single-point latch locking
Version as glazed door	True
