DATASHEET

Fronttür für Wandgehäuse 691912TS.80, mit Scharnieren und Schloss

General data

The one-piece front door for wall enclosures in black RAL 9005 is designed for the 600 mm cabinet width and complements the 12 U variants with a compact viewing solution with swing handle. The design is designed for clean integration into the enclosure system and for a clear front design.

• One-piece glass door with swing handle – Provides visibility of the equipment and combines ease of use with controlled access.
• Hinged door for 600 mm cabinet installation – Fits the defined wall enclosure format and supports a uniform front view.
• Transparent door design with 1-point locking mechanism – Enables quick control of the components and keeps the door reliably closed.

In terms of technical construction, the door combines a 515 mm wide and 545.3 mm high glass construction with side elements made of aluminium. The surface of the aluminium elements is powder-coated, the degree of protection is IP20 and the door opening angle is approx. 120°. Together with the 1-point quarter-turn latch and the 2 keys supplied, a functional solution for controlled access in the wall housing area is created.

Technical details
• Number of doors: 1
• Degree of protection: IP20
• Design: Hinged door
• Construction/use: Glass door, one-piece, with swing handle
• Transparent door version: Yes
• Type of closure: 1-point quarter-turn latch
• Surface finish: Powder-coated aluminium elements
• Colour: black
• RAL number: 9005

DATASHEET

Fronttür für Wandgehäuse 691912TS.80, mit Scharnieren und Schloss

- For cabinet width: 600 mm
- Width for cabinet installation: 600 mm
- Width: 515 mm
- Height: 545.3 mm
- Depth: 22 mm
- Material: glass, side elements aluminium
- Door opening angle: approx. 120°
- Scope of delivery: door, incl. hinges, 2 x keys

Technical properties	
Cabinet Series	Wall Housings 1/2-part
Degree of protection	IP20
Door opening angle	ca. 120 °
For Cabinet Width	600 mm
Material	Glass, side elements aluminium
Model	Stop door
Number of height units (U)	12
Profile half-cylinder exchangeable	False
Scope of delivery	Tür, inkl. Scharnieren, 2 x Schlüssel
Structure/Use	Glastür, einteilig, mit Schwenkhebel
Surface finishing	Aluminium elements powder-coated
Type of closure	Single-point latch locking
Version as glazed door	True

Available variants
