

DATASHEET

19" 1U Cable Routing Panel, 5 x Metal Bracket 110 mm Single, RAL9005

General data

The 19"-1U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level. With 1U, the space requirement remains low. The cable management version is intended for universal integration into 482.6 mm racks and combines a powder-coated surface in black RAL 9005 with stable cable brackets.

- Structured cable routing to only 1 U with a small footprint
- 19-inch compatible design with 482.6 mm width for universal rack systems
- Robust steel brackets with polyamide and 90° grid for flexible cable routing

The design is designed for professional use in 19" installations. The base plate and the five cable brackets ensure clear routing of the cables. The steel brackets with a diameter of 5 mm can be rotated in 90° steps and thus support practical adaptation to different cable routing requirements. The bracket length is 110 mm. The delivery is unassembled.

Technical details

- Brand: EFB-Elektronik
- Category: Cable Routing
- Design: Cable routing
- Cabinet Series: Universal
- Number of rack units (U): 1U
- Width: 482.6 mm
- Suitable for 482.6 mm (19 in) mounting: Yes
- Colour: black
- RAL number: 9005
- Finish of the surface: powder-coated
- Material: steel, polyamide
- Number of brackets: 5

This datasheet was created automatically on 01-11-2026 . Technical changes reserved.

DATASHEET

19" 1U Cable Routing Panel, 5 x Metal Bracket 110 mm Single, RAL9005

- Template length: 110 mm
- Construction/use: For orderly and clear cable routing on the 19" level
- Template: steel bracket, diameter 5 mm, can be rotated in 90° increments
- Scope of delivery: 1 x base plate, 5 x cable brackets

Technical properties

Cabinet Series	Universal
Category	Kabelführung
Material	Steel, polyamide
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x Grundplatte, 5 x Kabelbügel
Structure/Use	Zur geordneten und übersichtlichen Kabelführung an der 19" Ebene. Besonders stabile Stahlbügel, Durchmesser 5 mm. Bügel in 90° Schritten drehbar. Hinweis: Lieferung erfolgt unmontiert.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet
