DATASHEET

19" 1U Cable Routing Panel, 5 x Metal Double Bracket 110 mm, RAL9005

General data

The 19"-1U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level. It is intended for universal cabinet series. The version combines steel with polyamide and is powder-coated in black RAL 9005.

• Space-saving 1U cable routing – The panel uses only one height unit and supports structured cabling with a small footprint.
• Sturdy double brackets for clear cable routing – Five steel double brackets with a diameter of 5 mm ensure robust and clear cable routing. The brackets can be rotated in 90° increments.
• Standard-compliant integration into 19-inch racks – With a width of 482.6 mm, the panel is designed for standardized 19-inch mounting. It can be integrated into universal rack and control cabinet environments.

The design is designed for practical use in professional 19" installations. The combination of steel and polyamide creates a resilient cable routing with a clear structure. The powder-coated surface in black RAL 9005 supports robust use in the rack. With 1 U, the space requirement remains low. The delivery is unassembled.

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Colour: black
• RAL number: 9005
• Design: Cable routing
• Width: 482.6 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Finish of the surface: powder-coated
• Material: steel, polyamide

DATASHEET

19" 1U Cable Routing Panel, 5 x Metal Double Bracket 110 mm, RAL9005

- Number of brackets: 5
- Temples: steel double temple, 5 mm, can be rotated in 90° steps
- Temple length: 110 mm
- Scope of delivery: 1 x base plate, 5 x cable brackets

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel, polyamide
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x Grundplatte, 5 x Kabelbügel
Structure/Use	Zur geordneten und übersichtlichen Kabelführung an der 19" Ebene. Besonders stabile Stahl-Doppelbügel, Durchmesser 5 mm. Bügel in 90° Schritten drehbar. Hinweis: Lieferung erfolgt unmontiert.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet

Available variants
