

# DATASHEET

## 19" 1U Cable Routing Panel, 5 x Plastic Bracket for FO, Front Panel RAL7035

### General data

For clear and orderly cable routing in the 19" level  
Especially rounded brackets for securing the bending radius of FO cables  
Bracket turnable in steps of 90°  
The cable brackets are included loose and still need to be snapped into the base plate.  
Bracket length 56 mm  
Material panel steel, brackets plastic  
Colour RAL7035, light grey / RAL9005, jet black

### Technical properties

|                               |                                                                                                                                                                                                                     |
