DATASHEET

19" 1U Cable Routing Panel, 5 x Plastic Bracket for FO, Front Panel RAL9005

General data

The 19"-1U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level and is intended for universal cabinet series. The cable routing version combines steel with plastic brackets made of polyamide. The surface is powder-coated and finished in black RAL 9005.

• Space-saving cable routing in the rack – With 1 U, only one height unit is required. This supports structured cabling with a small footprint.
• Standard-compliant integration into 19-inch environments – The 482.6 mm width is designed for 19" mounting and supports installation in suitable rack and control cabinet environments.
• Cable-friendly for fibre optic cables – The particularly rounded brackets help to maintain the bending radius of fibre optic cables. The brackets can be rotated in 90° increments.

The design is designed for practical use in professional 19" installations. The combination of steel and five cable brackets made of polyamide creates a robust and at the same time cable-friendly cable routing. With 1 U, the space requirement remains low. The 482.6 mm width supports 19" mounting. The scope of delivery includes a base plate and five cable brackets. The delivery is unassembled.

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Colour: black
• RAL number: 9005
• Design: Cable routing
• Width: 482.6 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Finish of the surface: powder-coated
• Material: steel, polyamide
• Number of brackets: 5
• Temple length: 56 mm
• Scope of delivery: 1 x base plate, 5 x cable brackets

DATASHEET

19" 1U Cable Routing Panel, 5 x Plastic Bracket for FO, Front Panel RAL9005

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel, polyamide
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x Grundplatte, 5 x Kabelbügel
Structure/Use	Zur geordneten und übersichtlichen Kabelführung an der 19" Ebene. Besonders abgerundete Bügel zur Einhaltung des Biegeradius von LWL-Kabeln. Bügel in 90° Schritten drehbar. Hinweis: Lieferung erfolgt unmontiert.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet

Available variants

ArtNr.	Bezeichnung	Bracket Length	Colour	Height	Length	Number of height units	RAL	Width
