DATASHEET

19" 2U Cable Management Panel, 5 x Metal-Double Brackets 110 mm, RAL9005

General data

The 19" 2U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level and fits into the universal cabinet series. The version as a cable management panel with galvanized metal double brackets combines a powder-coated surface in black RAL 9005 with a robust construction made of steel and polyamide.

- 2U for structured cable routing with extended space in the 19" level
- Particularly stable steel double bracket with a diameter of 5 mm for clear cable routing
- Bracket can be rotated in 90° steps and fixed in a twist-proof manner; Delivery is unassembled

The design is designed for practical use in professional 19" installations. With a width of 482.6 mm, the panel is intended for 19-inch mounting and can be universally integrated into rack and control cabinet environments. The combination of steel and polyamide supports a stable design. The five double brackets with a length of 110 mm create guided cable routing and can be adapted to the respective installation via the 90° grid.

Technical details
- Brand: EFB-Elektronik
- Category: Cable Routing
- Cabinet Series: Universal

DATASHEET

19" 2U Cable Management Panel, 5 x Metal-Double Brackets 110 mm, RAL9005

- Number of rack units (U): 2U
- Colour: black
- RAL number: 9005
- Design: Cable routing
- Width: 482.6 mm
- Suitable for 482.6 mm (19 in) mounting: Yes
- Surface finish: powder-coated, galvanized temples
- Material: steel, polyamide
- Number of brackets: 5
- Temple length: 110 mm
- Construction/use: For orderly and clear cable routing on the 19" level. Particularly stable steel double brackets, diameter 5 mm. Bracket can be rotated in 90° steps and fixed in a twist-proof manner. Delivery is unassembled.
- Scope of delivery: 1 x base plate, 5 x cable brackets, 5 x screw + nut M3

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel, polyamide
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x base plate, 5 x cable brackets, 5 x M3 screws + nuts
Structure/Use	For neat and organized cable management on 19" racks. Extra-sturdy steel double brackets, 5 mm diameter. Brackets can be rotated in 90° increments and securely locked in place. Note: Delivered unassembled.
Suitable for 19 inch mounting	True
Surface Finishing	powder-coated, bracket galvanized
