DATASHEET

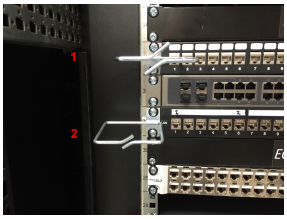

Cable Routing Bracket 40 x 80 mm with Lateral Offset Mounting Plate

General data

The cable management bracket from EFB-Elektronik is designed for orderly cable routing on the front or side of the 19" level and fits universal cabinet series. The laterally offset mounting plate supports access to all ports of the 19" devices. This makes the version suitable as a space-saving addition for professional rack installations.

- Laterally offset mounting plate for free access to all ports of the 19" devices.
- Flexible screw mounting in 1U or in the lateral grid holes of the 19" profile rails.
- Robust steel design with galvanized finish and metallic colour.

The design is designed for practical use in professional 19" installations. With 1 U, the space requirement remains low. The width of 40 mm and the bracket length of 80 mm support defined routing of the cables. The version is suitable for 482.6 mm (19 inches) mounting and can be flexibly attached to the rack structure.

DATASHEET

Cable Routing Bracket 40 x 80 mm with Lateral Offset Mounting Plate

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Design: Cable routing
• Surface finish: galvanized
• Material: Steel
• Colour: metallic
• Width: 40 mm
• Temple length: 80 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Construction/use: Cable management bracket for mounting on the front or side of the 19" level. Laterally offset mounting plate allows access to all ports of the 19" devices. Screw mounting in 1U or in the side grid holes of the 19" profile rails.
• Scope of delivery: 1 x cable management bracket

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel
Model	Kabelführung
Scope of delivery	1 x Kabelführungsbügel
Structure/Use	Kabelführungsbügel zur Montage an der Frontseite oder seitlich der 19" Ebene. Seitlich versetzte Montageplatte ermöglicht den Zugang zu allen Ports der 19" Geräte. Schraubmontage in 1HE oder in der seitlichen Rasterlochung der 19" Profilschienen.
Suitable for 19 inch mounting	True
Surface Finishing	verzinkt
