DATASHEET

Cable Routing Bracket 80 x 80 mm with Lateral Offset Mounting Plate

General data

The cable management bracket from EFB-Elektronik is designed for orderly cable routing at the front or side of the 19" level. The laterally offset mounting plate facilitates access to all ports of the 19" devices. The cable management version is made of steel, is galvanized and has a metallic look. With a width of 1 U and 80 mm, the component can be integrated into universal 19" installations to save space.

- Space-saving cable routing on the front or side of the 19" level
- Laterally offset mounting plate for free access to all ports of the 19" devices
- Robust steel construction with galvanized finish for use in 19" mounting environments

The design is designed for practical use in universal 19" systems. Screw mounting is possible in 1 U or in the lateral grid holes of the 19" profile rails. With a width of 80 mm and a shackle length of 80 mm, a compact solution for

DATASHEET

Cable Routing Bracket 80 x 80 mm with Lateral Offset Mounting Plate

structured cable routing is created without unnecessarily restricting access to the connected devices.

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Design: Cable routing
• Construction/use: Cable management bracket for mounting on the front or side of the 19" level. Laterally offset mounting plate allows access to all ports of the 19" devices. Screw mounting in 1U or in the side grid holes of the 19" profile rails.
• Surface finish: galvanized
• Colour: metallic
• Width: 80 mm
• Temple length: 80 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Material: Steel
• Scope of delivery: 1 x cable management bracket

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel
Model	Kabelführung
Scope of delivery	1 x Kabelführungsbügel
Structure/Use	Kabelführungsbügel zur Montage an der Frontseite oder seitlich der 19" Ebene. Seitlich versetzte Montageplatte ermöglicht den Zugang zu allen Ports der 19" Geräte. Schraubmontage in 1HE oder in der seitlichen Rasterlochung der 19" Profilschienen.
Suitable for 19 inch mounting	True
Surface Finishing	verzinkt

Available variants

ArtNr.	Bezeichnung	Bracket Length	Colour	Height	Length	Number of height units	Width
