DATASHEET

19“ 1U Cable Management Panel, 4 Openings, 5 Brackets, Plastic RAL9005

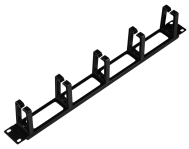

General data

The 19"-1U cable routing panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level. It belongs to the cable routing category, can be used universally for cabinet series and combines steel with plastic brackets. The powder-coated surface in black RAL 9005 underlines the robust design. With 4 cable grommets, the cable routing is additionally structured.

• Space-saving cable routing on 1U. The panel uses only one height unit and thus creates order with a small space requirement.
• Standard-compliant integration into 19-inch environments. With a width of 482.6 mm, the mounting is designed for the standardized rack size.
• Robust and cable-friendly design. Steel and plastic brackets combine stability with clean routing of the cables.

DATASHEET

19“ 1U Cable Management Panel, 4 Openings, 5 Brackets, Plastic RAL9005

The technical design is designed for use in professional 19" installations. The 4 cable grommets with 82.7 x 27.7 mm support defined cable routing. In addition, there are 5 plastic brackets with a bracket length of 70 mm, which hold cables in an orderly manner and keep the structure in the rack clear. The combination of 1 U, 482.6 mm width and powder-coated steel construction creates a compact and resilient solution.

Technical details
- Brand: EFB-Elektronik
- Category: Cable Routing
- Cabinet Series: Universal
- Number of rack units (U): 1U
- Design: Cable routing
- Construction/use: With 4 cable grommets 82.7 x 27.7 mm.
- Width: 482.6 mm
- Suitable for 482.6 mm (19 in) mounting: Yes
- Finish of the surface: powder-coated
- Colour: black
- RAL number: 9005
- Material: steel, plastic temple
- Number of brackets: 5
- Temple length: 70 mm
- Scope of delivery: 1 x cable management panel

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel, plastic bracket
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x Kabelführungspanel
Structure/Use	With 4 cable glands 82.7 x 27.7 mm.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet
