DATASHEET

19" 1U Cable Routing Panel, 4 Brackets, Steel RAL9005

General data

The 19" 1U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level and is suitable for universal cabinet series. The cable management version combines steel with a powder-coated surface in black RAL 9005 and supports a clear structure in the rack.

• Space-saving cable routing on 1U – The panel uses only one height unit, creating order in a small footprint.
• Standard-compliant 19-inch integration – At 482.6 mm wide, the cable management panel is designed for 482.6 mm (19-inch) mounting.
• Robust design with cable support – The steel material and the 4 plastic brackets with a shackle length of 60 mm ensure stable and practical guidance of the cables.

The design is designed for professional use in 19" installations. The combination of steel and plastic brackets creates a robust cable routing with a clear structure. The black, powder-coated surface complements the technical design and supports uniform integration into the control cabinet.

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Colour: black
• RAL number: 9005
• Design: Cable routing
• Width: 482.6 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Finish of the surface: powder-coated
• Material: Steel
• Number of brackets: 4
• Temple length: 60 mm
• Scope of delivery: 1 x cable management panel

Technical properties

Cabinet Series	Universal

DATASHEET

19" 1U Cable Routing Panel, 4 Brackets, Steel RAL9005

Category	Kabelführung
Material	Steel
Model	Kabelführung
Number of brackets	4
Scope of delivery	1 x Kabelführungspanel
Structure/Use	For orderly and clear cable routing on the 19" level.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet

Available variants

ArtNr.	Bezeichnung	Bracket Length	Colour	Height	Length	Number of height units	RAL	Width
