DATASHEET

19" 1U Cable Routing Panel, 5 Brackets, Steel RAL9005

General data

The 19" 1U cable management panel from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level. As a cable management panel made of steel in black, it is intended for the universal cabinet series and is suitable for 482.6 mm (19 inch) mounting.

• Space-saving cable routing in just 1U – The panel uses a height unit and supports structured cabling with a small footprint.
• Designed for standardized 19-inch mounting – With a width of 482.6 mm, the panel can be integrated into appropriate rack and control cabinet environments.
• Robust design for professional use – The steel material and the powder-coated surface are designed for long-lasting use in the 19" plane.

The technical design aims at clear routing of the cables within the 19" installation. With 5 brackets and a bracket length of 60 mm, defined cable routing is created in a compact area. The black version with RAL 9005 and the powder-coated surface fit into professional rack environments. The scope of delivery includes 1 x cable management panel.

Technical details
• Brand: EFB-Elektronik
• Category: Cable Routing
• Cabinet Series: Universal
• Number of rack units (U): 1U
• Colour: black
• RAL number: 9005
• Design: Cable routing
• Width: 482.6 mm
• Suitable for 482.6 mm (19 in) mounting: Yes
• Finish of the surface: powder-coated
• Material: Steel
• Number of brackets: 5
• Temple length: 60 mm
• Scope of delivery: 1 x cable management panel

DATASHEET

19" 1U Cable Routing Panel, 5 Brackets, Steel RAL9005

Technical properties	
Cabinet Series	Universal
Category	Kabelführung
Material	Steel
Model	Kabelführung
Number of brackets	5
Scope of delivery	1 x Kabelführungspanel
Structure/Use	For orderly and clear cable routing on the 19" level.
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet

Available variants

ArtNr.	Bezeichnung	Bracket Length	Colour	Height	Length	Number of height units	RAL	Width
