

DATASHEET

19" 1U Cable Routing Panel with Cover, RAL9005

General data

The 19"-1U cable management panel with removable cover from EFB-Elektronik is designed for orderly and clear cable routing at the 19" level and is suitable for the universal cabinet series. The cable management version combines steel with plastic and is powder-coated in black RAL 9005. The lid can be removed by means of quick-release fasteners.

- Space-saving cable routing on 1U – The panel uses only one height unit and supports structured cabling with a small footprint.
- Removable cover with quick-release fasteners – The design makes it easy to access the wiring and supports a practical setup.
- Rugged design for 19-inch environments – steel and plastic provide stable and functional cable management in rack installations.

The design is designed for use in professional 19" installations. With 1 U, the space requirement remains low and the width of 482.6 mm supports standard-compliant 19-inch installation. The combination of steel and plastic creates a

robust design. The powder-coated surface in black RAL 9005 complements the functional design. The removable lid with quick-release fasteners makes it easy to access the guided cables.

Technical details

- Brand: EFB-Elektronik
- Category: Cable Routing
- Design: Cable routing
- Cabinet Series: Universal
- Number of rack units (U): 1U
- Construction/use: For orderly and clear cable routing at the 19" level; lid removable by means of quick-release fasteners
- Width: 482.6 mm
- Suitable for 482.6 mm (19 in) mounting: Yes
- Colour: black
- RAL number: 9005
- Finish of the surface: powder-coated
- Material: steel, plastic
- Temple length: 50 mm
- Scope of delivery: 1 x cable management panel

Technical properties

Cabinet Series	Universal
Category	Kabelführung
Material	Stahl, Kunststoff
Model	Kabelführung
Scope of delivery	1 x Kabelführungspanel
Structure/Use	Zur geordneten und übersichtlichen Kabelführung an der 19" EbeneDeckel abnehmbar mittels Schnellverschlüssen
Suitable for 19 inch mounting	True
Surface Finishing	pulverbeschichtet
