## Splice box gy sliding E2000 OM4 24x pigtail and 24x simplex adapter

### General data

completely assembled splice box with adapters and coloured pigtails  
metal housing depth adjustable  
cable entries at the rear, incl. 1 x PG16  
6 x self adhesive fiber tray

**Special assembly possible at short notice!**

### Technical properties

|                        |                             |
|------------------------|-----------------------------|
| Adapter material       | Plastic adapter             |
| Adapters               | E2000®                      |
| Depth                  | 244.0 mm                    |
| Fibre class            | OM4                         |
| Fibre type             | Multimode 50/125            |
| Height                 | 44.5 mm                     |
| Mounting method        | 482.6 mm (19 inch) mounting |
| Number of height units | 1 U                         |
| Pigtails prepared      | not stripped                |
| Sliding                | sliding version             |
| Width                  | 483.0 mm                    |
| With front plate       | True                        |
| With housing           | True                        |
| With pigtails          | True                        |
