

DATASHEET

Interf.Cover-plastic 09-09pole, grey

General data

The D-Sub empty housing E-DH in grey from EFB-Elektronik is available as a plastic cover for D-Sub 9-pin./D-Sub 9-pin. plug connections. It is suitable for compact and standard-compliant interface solutions in various technical applications.

- Plastic hood in gray design
- Suitable for D-Sub 9-pin/D-Sub 9-pin. Plug connections
- Designed for applications in the temperature range from 0 to 45 °C

The material plastic supports a robust and at the same time practical protection solution for technical applications where a precisely fitting cover for D-Sub interfaces is required. Due to the design as an empty housing for 9-pin interfaces, the product can be integrated into existing systems without specifying additional functions.

Technical details

- Type: D-Sub 9-pin/D-Sub 9-pin.
- Material: Plastic
- Colour: grey
- Suitable for Number of Poles: 9
- Temperature range: 0 – 45 °C
- Brand: EFB-Elektronik

Technical properties

Locking mechanism	Screw
Material	Plastic
Separable	True
Temperature range	0 – 45 °C
Two piece	True

Available variants

ArtNr.	Bezeichnung	Colour	Suitable for number of poles	Type
EB0909	Interf.Cover-plastic 09-09pole, grey	grey	9	Empty case, Gender Changer
EB0909V2	Interf.Cover-plastic 09-09pole, grey	grey	9	Empty case, Gender Changer
EB2525	Interf.Cover-plastic 25-25pole, grey	grey	25	Empty case, Gender Changer
EB2525V2	Interf.Cover-plastic 25-25pole, grey	grey	25	Empty case, Gender Changer

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
