DATASHEET

Power Cable Denmark DPin 90° - C5 180°, Black, 1.8 m, 3 x 0.75 mm²

General data

The power cable Denmark DPin 90° - C5 180°, black from EFB-Elektronik is designed as a connecting cable for use between DK DPin 90° and C5 cloverleaf coupling. With a length of 1.8 m and the black version, it is suitable for compact and practical mains connections in various applications.

- Connection 1 as DK DPin 90° for an angular connection
- Connection 2 as C5 cloverleaf coupling for suitable power supplies
- 1.8 m length with black outer jacket for unobtrusive integration

The polyvinyl chloride (PVC) sheath material supports a robust and at the same time practical design. The 3-wire design with protective conductor maps a common power cable configuration and enables reliable integration into technical applications with corresponding connection requirements.

Technical details
- Brand: EFB-Elektronik
- Core Count: 3
- Connector 1: DK DPin 90°
- Port 2: C5 cloverleaf coupling
- Outer jacket colour: black

DATASHEET

Power Cable Denmark DPin 90° - C5 180°, Black, 1.8 m, 3 x 0.75 mm²

- Sheath material: Polyvinyl chloride (PVC)
- Protective conductor available

Technical properties	
Colour outer sheath	black
Connection 1	DK DPin 90°
Connection 2	C5 Mickey Mouse female
Material outer sheath	Polyvinylchlorid (PVC)
Nominal voltage	250 V
Number of cores	3
Oil resistant (acc. EN 60811-2-1)	False
Oil resistant (according to EN 60811-404)	False
Protective conductor	True
Spiralized cable	False
Type of packaging	Labeled polybag
With cord switch	False

Available variants

ArtNr.	Bezeichnung	Colour outer sheath	Length	Nominal cross section conductor	Outer diameter approx.
EK540.1,8	Power Cable Denmark DPin 90° - C5 180°, Black, 1.8 m, 3 x 0.75 mm²	black	1.8 m	0.75 mm²	6.8 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
