

DATASHEET

Power Cable Euro - C7 90° Up/Down, Black, 2.0 m, 2 x 0.75 mm²

General data

The Euro C7 O/U 2.0 m black power cable from EFB-Elektronik is designed as a connecting cable with Euro plug (CEE 7/16) and C7 coupling in 90° o/u design. It is suitable for compact and standard-compliant power connections in various applications.

- Black outer jacket color for unobtrusive integration
- 2.0 m cable length for flexible connection options
- Euro plug (CEE 7/16) to C7 coupling 90° o/u

The polyvinyl chloride (PVC) sheath supports a robust and at the same time practical cable design. The two-pole design with protective conductor takes into account technical applications where a reliable connection via a compact connection cable is required.

Technical details

- Brand: EFB-Elektronik
- Core Count: 2
- Connector 1: Euro plug (CEE 7/16)
- Connection 2: C7 coupling 90° o/u
- Outer jacket colour: black

This datasheet was created automatically on 23-10-2026 . Technical changes reserved.

DATASHEET

Power Cable Euro - C7 90° Up/Down, Black, 2.0 m, 2 x 0.75 mm²

- Sheath material: Polyvinyl chloride (PVC)
- Protective conductor available

Technical properties

Colour outer sheath	black
Connection 1	EURO plug (CEE 7/16)
Connection 2	C7 plug female 90° o/u
Material outer sheath	Polyvinyl chloride (PVC)
Nominal voltage	250 V
Number of cores	2
Oil resistant (acc. EN 60811-2-1)	False
Oil resistant (according to EN 60811-404)	False
Protective conductor	True
Spiralized cable	False
Type of packaging	Labeled polybag
With cord switch	False

Available variants

ArtNr.	Bezeichnung	Colour outer sheath	Degree of protection	Length	Nominal cross section conductor	Outer diameter approx.
EK546.2	Power Cable Euro - C7 90° Up/Down, Black, 2.0 m, 2 x 0.75 mm ²	black	IP20	2.0 m	0.75 mm ²	3.5 x 5.7 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
