

DATASHEET

Extension Cable Euro Plug - Euro Jack

Anwendungsbeispiel
Example of use

General data

The Euro Extension 0.2 m power cord from EFB-Elektronik is designed as a short extension cable with Euro plug (CEE 7/16) and Euro coupling (CEE 7/16). The black version supports a compact and practical connection in technical applications with small space requirements.

- Short length of 0.2 m for compact connection solutions
- Euro plug (CEE 7/16) to Euro coupling (CEE 7/16)
- Black version with 2 wires and protective conductor

The polyvinyl chloride (PVC) jacket supports a robust and purpose-built cable design. With 2 wires and protective conductor, the extension cable is intended for proper use in installations where a short bridging between plug and coupling is required.

Technical details

- Brand: EFB-Elektronik
- Connector 1: Euro plug (CEE 7/16)
- Port 2: Euro coupling (CEE 7/16)
- Outer jacket colour: black
- Core Count: 2
- Sheath material: Polyvinyl chloride (PVC)
- Protective conductor available

This datasheet was created automatically on 27-10-2026 . Technical changes reserved.

DATASHEET

Extension Cable Euro Plug - Euro Jack

Technical properties	
Colour outer sheath	black
Connection 1	EURO plug (CEE 7/16)
Connection 2	Euro-plug, female (CEE 7/16)
Halogen free	No
Material outer sheath	Polyvinylchlorid (PVC)
Nominal voltage	250 V
Number of cores	2
Oil resistant (acc. EN 60811-2-1)	False
Oil resistant (according to EN 60811-404)	False
Protective conductor	True
Spiralized cable	False
Type of packaging	Labeled polybag
With cord switch	False

Available variants				
ArtNr.	Bezeichnung	Colour outer sheath	Length	Nominal cross section conductor
EK644.0,2	Extension Cable Euro Plug - Euro Jack	black	0.2 m	0.75 mm ²

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
