DATASHEET

Vertical Cable Management for ESV 42U, 1 Piece, RAL7035

General data

The vertical cable management system from EFB-Elektronik is designed for orderly and clear cable routing in the EFB server cabinet series. With 42 U and a width of 94 mm, it supports a structured installation with a small space requirement. The version in grey RAL 7035 combines steel with plastic and is intended for tool-free installation on the 19" profiles.

- Vertical cable management for the EFB server cabinet series with clear structure in the cabinet.
- Two independent lids for top and bottom. The lids are snap-in and swivel on both sides.
- Robust steel and plastic design with powder-coated steel parts in grey.

The design is designed for practical use in professional server cabinets. The vertical mounting keeps the cable routing compact and easily accessible. The two lids separate the cable routing into upper and lower areas. This simplifies organization in the cabinet. At the same time, tool-free installation on the 19" profiles supports quick installation. The width of 94 mm and the suitability for cabinet width 800 mm are suitable for tidy integration in the housing.

Technical details
- Brand: EFB-Elektronik
- Category: Cable Routing
- Cabinet Series: EFB Server
- Number of rack units (U): 42 U
- Design: Cable management, vertical mounting (tool-free)

DATASHEET

Vertical Cable Management for ESV 42U, 1 Piece, RAL7035

- Construction/Use: Vertical cable management with 2 independent lids at the top and bottom
- Lid: snap-in and swivel on both sides
- Suitable for cabinet width: 800 mm
- Colour: grey
- RAL number: 7035
- Width: 94 mm
- Temple length: 159 mm
- Surface finish: powder-coated steel parts
- Material: steel, plastic
- Scope of delivery: 1 x cable management incl. mounting accessories

Technical properties	
Cabinet Series	EFB-Server
Category	Kabelführung
Material	Stahl, Kunststoff
Model	Cable management, vertical mounting (tool-free)
Scope of delivery	1 x Kabelmanagement inkl. Montagezubehör
Structure/Use	Vertikales Kabelmanagement mit 2 unabhängigen Deckeln (oben/unten). Deckel einrastbar und beidseitig schwenkbar. Geeignet für Schrankbreite 800 mm.Werkzeuglose Montage an den 19" Profilen
Suitable for 19 inch mounting	False
Surface Finishing	Stahlteile pulverbeschichtet
