DATASHEET

Vertical Cable Management for ESV 47U, 1 Piece, RAL7035

General data

The vertical cable management system from EFB-Elektronik is designed for the structured structure in the EFB server cabinet series. The version combines steel and plastic. The steel parts are powder-coated in grey RAL 7035. The snap-in lid can be swivelled on both sides and supports clean cable routing in the cabinet.

- Vertical cable routing with 47 U – The tall design uses the available space for continuous cable routing.
- Snap-on, double-sided swivel lid – The design makes it easy to access and ensures orderly guidance.
- Tool-free installation on the 19" profiles – the version is intended for cabinet width 800 mm.

The design is designed for use in professional server environments. With a width of 94 mm and a shackle length of 159 mm, the system remains slim and at the same time offers clear routing of the cables. The powder-coated steel parts and the material made of steel and plastic combine robustness with practical function. The scope of delivery includes cable management including mounting accessories.

Technical details
- Brand: EFB-Elektronik
- Category: Cable Routing
- Cabinet Series: EFB Server
- Number of rack units (U): 47 U
- Colour: grey
- RAL number: 7035

DATASHEET

Vertical Cable Management for ESV 47U, 1 Piece, RAL7035

• Design: Cable management, vertical mounting (tool-free)
• Construction/use: Vertical cable management with lid. Lid can be snapped into place and swivelled on both sides. Suitable for cabinet width 800 mm. Tool-free installation on the 19" profiles.
• Width: 94 mm
• Temple length: 159 mm
• Surface finish: powder-coated steel parts
• Material: steel, plastic
• Scope of delivery: 1 x cable management incl. mounting accessories

Technical properties	
Cabinet Series	EFB-Server
Category	Kabelführung
Material	Stahl, Kunststoff
Model	Cable management, vertical mounting (tool-free)
Scope of delivery	1 x Kabelmanagement inkl. Montagezubehör
Structure/Use	Vertikales Kabelmanagement mit 2 unabhängigen Deckeln (oben/unten). Deckel einrastbar und beidseitig schwenkbar. Geeignet für Schrankbreite 800 mm.Werkzeuglose Montage an den 19" Profilen
Suitable for 19 inch mounting	False
Surface Finishing	Stahlteile pulverbeschichtet
