## 2-Port Frame Set for Keystone, straight outlet, DIN49075, RAL9003 signal white

### General data

To accommodate all EFB RJ45 Keystone modules(E-200100, E-20095, 37508.1 excluded)  
 Frame set in 2-port  
 straight outlet  
 Outer ring 80x80mm and central plate 50x50mm according to DIN49075  
 Compatible with any switch range with the adapter plate of the switch range manufacturer

With integrated labelling field

**Scope of delivery:**Support ring, outer ring, central plate

### Technical properties

|                      |                                   |
|----------------------|-----------------------------------|
| Assembly arrangement | Frame set                         |
| Connection unit      | TAE                               |
| Design-compatible    | With manufacturer's adapter plate |

## 2-Port Frame Set for Keystone, straight outlet, DIN49075, RAL9003 signal white

|                   |                         |
|-------------------|-------------------------|
| Halogen free      | No                      |
| Imprintable label | with indication plate   |
| Material          | Metal                   |
| Mounting method   | Flush mounted (plaster) |
| Receptacle for    | Keystone                |
| Support ring      | True                    |
| Temperature       | 0 - 60° °C              |
| Type of fastening | mounting with screw     |
| With dust cover   | False                   |
| With hinged lid   | False                   |
| With imprint      | False                   |

### Available variants

| ArtNr.   | Bezeichnung                                                                    | Colour of device | Depth of device | Height of device | RAL-number (similar) | Suitable for number of connectors | Width of device | With buses/couplings |
|----------|--------------------------------------------------------------------------------|------------------|-----------------|------------------|----------------------|-----------------------------------|-----------------|----------------------|
| ET-25091 | 2-Port Frame Set for Keystone, straight outlet, DIN49075, RAL9003 signal white | white            | 18.81 mm        | 80 mm            | 9003                 | 2                                 | 80 mm           | False                |

### Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
