

DATASHEET

Cisco GLC-LH-SMD compatible BlueOptics SFP BO05C13610D 1000BASE-LX

General data

Cisco GLC-LH-SMD compatible BlueOptics © SFP transceiver for single-mode gigabit high-speed data transmission in fiber optic networks. Supports Gigabit Ethernet, Fiber Channel or SONET / SDH applications in switches, routers, storage systems and similar hardware. BlueOptics SFP transceivers are equipped with digital monitoring (DDM / DOM) function (for detailed information on the power supply, the laser quiescent current, the laser output power, the laser input power and the temperature) and can optionally be delivered with different temperature ranges.

Buy GLC-LH-SMD SFP transceivers of the BlueOptics brand from CBO today, as this transceiver meets or even exceeds the requirements of the original manufacturer, Cisco, in terms of technical design and functional functionality.

Product features: < br>

- Type: SFP
- Data rate: 1000BASE-LX
- Wavelength: 1310nm
- Distance: 10 kilometers
- Connection: LC Duplex
- Medium: Singlemode fiber < br> - Warranty: 5 years

BlueOptics SFP transceiver compatible with the Cisco GLC-LH-SMD module, only use high-quality components from

brand manufacturers (such as Avago, Mitsubishi Electric, Analog Devices and Maxim Integrated) to ensure the longevity, accuracy and unlimited functionality of the GLC-LH-SMD compatible SFP module. In addition to automated test drives, whereby the alignment of the laser of each individual GLC-LH-SMD compatible BlueOptics SFP transceiver is checked, during production, attention is of course also paid to compliance with the MSA (Multi Source Agreement) standards and the durability of the material. All Cisco compatible BlueOptics SFP's also meet the highest industrial standards, such as CE and RoHS, as well as the requirements of TÜV Rheinland, UL and FCC.

BlueOptics Warranty:

BlueOptics GLC-LH-SMD SFP transceivers are 100% Cisco compatible. Every BlueOptics Cisco GLC-LH-SMD compatible SFP transceiver is tested in the manufacturer's hardware before shipping to guarantee its functionality and compatibility and to ensure that the highest industrial quality standards are achieved.

BlueOptics Warranty:

BlueOptics Cisco GLC-LH-SMD compatible SFP transceivers have a 5 year replacement guarantee - without any discussion!

Technical properties	
Compatible to	Cisco
Connector	LC Duplex
Construction type	Mini GBIC
Gigabit Ethernet	True
Mode	Singlemode
Protocol	1000BaseLX
Range	10 km
Speed	1000 Mbit/s
Temperature	0 - 70 °C
Wave length	1310 nm

Available variants		
ArtNr.	Bezeichnung	Unique
GLC-LH-SMD-BO	Cisco GLC-LH-SMD compatible BlueOptics SFP BO05C13610D 1000BASE-LX	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
