

DATASHEET

Cable Management Compartment for 19" Rack 24 Ports D.600mm

General data

I-CASE TRAY-ORG600 is an intelligent solution to accurately manage wiring and keep cables tidy inside a 600 mm deep 19" rack cabinet.

It is ideal for keeping the wiring tidy and clean, which is essential for checking and replacing the connection cables. This bracket allows identification of the level, connection relationship and line direction of the wiring.

Cable organizer very useful for routing the cable on a single lane: in fact, it allows professional management of the cabling avoiding messy lines, for a quick and precise periodic technical intervention.

Features

24 doors

Complete with anti-dust cable gland plugs

Depth: 352mm

Suitable for 600 mm deep cabinets

Black Colour

Size

Width: 482 mm

This datasheet was created automatically on 06-09-2026 . Technical changes reserved.

DATASHEET

Cable Management Compartment for 19" Rack 24 Ports D.600mm

Depth: 352 mm
Height: 42 mm

Box Contents

1x Cable organizer depth 352 mm
2x M6x16 screws
2x M6x40 screws
1x Foam tube
2x Cable ties

Technical properties

Category	Kabelführung
Material	Plastic
Model	Kabelführung
Scope of delivery	1x Cable organizer depth 352 mm, 2x M6x16 screws, 2x M6x40 screws, 1x Foam tube, 2x Cable ties
Structure/Use	For orderly and clear cable routing on the 19" level.
Suitable for 19 inch mounting	True

Available variants
