DATASHEET

Top Shelf for TV Screen, Black

General data

The exclusive ICA-DRS 902 TV shelf provides a new solution for holding media boxes, remote controls and other items on top of a TV.
A handy knob locks the leg for placement above the TV. The solid construction offers a load capacity up to 6 kg. With a width of 300mm and a depth of 127mm, it provides the space needed for a multimedia box, remote controls or knick-knacks.
Thanks to a raised edge it keeps objects safe and prevents falls.

Features
Material: plastic
Maximum load: 6 kg
Colour: black
