

# DATASHEET

## Bracket for Pole Fixing TV LED/LCD 17-32" Black

### General data

- Pole-mounted LED / LCD TV arm
- Ideal for installing a screen up to 32" on a support pole with a diameter between 28 and 60 mm
- It improves the display of the monitor thanks to the adjustment of the vertical and horizontal inclination, to the rotation and to the extension up to 270 mm

### Specifications

- Supports 17-32" monitors
- Extension up to 27 cm
- Maximum weight supported: 8 kg
- Cable management to keep everything organized and in order
- VESA 75x75, 100x100 compatible
- Black colour

### Package Contents

- LED / LCD TV arm
- Mounting material
- User Manual

### Technical properties

Colour | black
