DATASHEET

Desk stand for 2 LCD TV LED 17-32'', Clamp, Gas Spring, Black

General data

The ICA-LCD 462B Gas Spring Monitor Arm is robust in appearance and performance!
With the touch of a finger, the high quality gas spring mechanism provides easy movements of the monitor arm to achieve the best ergonomic position ever.
Convenient VESA plate allows for quick mounting or removal of the display. Desk clamp and loop holders are included.
Cable management along the arm keeps a work area clean and cables organized.

Technical specifications
Material: steel, aluminum, plastic
Surface finish: powder coating
Color: matt black
Suitable Screen Size: 17" - 32"

This datasheet was created automatically on 18-11-2026 . Technical changes reserved.

DATASHEET

Desk stand for 2 LCD TV LED 17-32'', Clamp, Gas Spring, Black

Suitable for curved TVs
Load capacity: 2 - 9 kg
Supports VESA 75 x 75 and 100 x 100
Tilt range: +70 / - 45°
Rotation range: +90 / - 90°
Screen rotation: +180 / - 180°
Full extension of the arm: 450 mm
Installation: clamp and eyelet
Integrated cable management
Dimensions: 938x112x590 mm

Package Contents
Universal dual monitor support with gas spring
Hardware and installation instructions

Technical properties	
Colour	black
Lifting capacity	9 kg
Mounting method	Desktop mount
Number of joints	4
Suitable for	Monitor

Available variants

ArtNr.	Bezeichnung	Angle of inclination	Pivoting range
ICA-LCD-462B	Desk stand for 2 LCD TV LED 17-32'', Clamp, Gas Spring, Black	45 – 70 °	180 – 180 °

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
