

# DATASHEET

Desk stand for LCD 13"-27", with gas spring, black with USB and Audio

## General data

- Supports monitors from 13" to 27", also suitable for curved screens
- With double fixing system: clamp or grommet hole mounting option
- Gas spring with counterbalancing technology for easier arm adjustment
- With integrated cable management system
- Solid base with USB 2.0 port and built-in audio connections

## General information

- Supports both flat and curved 13"-27" LED / LCD screens
- Material: aluminum, steel
- Supported weight: 2 - 6.5 kg
- Supports VESA 75 x 75 and 100 x 100 mm
- Tilt: + 90° ~ -45°
- Swivel range:  $\pm 90^\circ$
- Screen rotation:  $\pm 180^\circ$
- Maximum extension of the arm: 410 mm
- The screen can be installed in portrait or landscape orientation
- With integrated cable management system
- An USB 2.0 port and audio connections available on the base

# DATASHEET

## Desk stand for LCD 13"-27", with gas spring, black with USB and Audio

- Color: Black

### Dimensions

- 117 x 468 x 570 mm

### Package Contents

- 1x Universal desk support for monitor
- 1x Hardware for installation
- 1x Instructions

### Technical properties

|                                                     |               |
|-----------------------------------------------------|---------------|
| Adjustable height                                   | True          |
| Cable management system                             | True          |
| Colour                                              | Black         |
| Compatible screen size                              | 13 - 27 Inch  |
| Depth                                               | 117.0 mm      |
| Height                                              | 468.0 mm      |
| Lifting capacity                                    | 6.5 kg        |
| Maximum load per arm                                | 6.5 kg        |
| Mounting Interface Standard (MIS) according to VESA | 75x75         |
| Mounting method                                     | Desktop mount |
| Number of joints                                    | 2             |
| Number of monitors                                  | 1             |
| Suitable for                                        | Monitor       |
| Suspension type                                     | Gas spring    |
| Width                                               | 570.0 mm      |

### Available variants

| ArtNr.      | Bezeichnung                                                           | Angle of inclination |
|-------------|-----------------------------------------------------------------------|----------------------|
| ICA-LCD-514 | Desk stand for LCD 13"-27", with gas spring, black with USB and Audio | -45 - 90 °           |

### Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.

This datasheet was created automatically on 16-10-2026 . Technical changes reserved.
