DATASHEET

Desk Stand for 1 Gaming Monitor 17-32", Black

Maximum weight supported: 8 kg

Specifications
Inclination for each connection +/- 15°
Horizontal orientation: 180°
Dimensions: base 488x293 mm; vertical support height 485 mm
Color: black / red

Package Contents
Desk support
Mounting material
User Manual

Technical properties	
Colour	black
Lifting capacity	8.0 kg
Mounting method	Desktop mount
Number of joints	1
Suitable for	Monitor

Available variants

ArtNr.	Bezeichnung	Angle of inclination
ICA-LCD-G32	Desk Stand for 1 Gaming Monitor 17-32", Black	-15 – 15 °

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
