DATASHEET

Ergonomic monitor stand with drawer, 3-way height adjustable

General data

Ergonomic metal desk stand for monitor, laptop, notebook or printer
Double-sided storage space and removable grilled front drawer
Three height levels: 100mm / 120mm / 140mm
Thanks to the possibility of height adjustment it offers an optimal view of the monitor
By raising the monitor, it offers more useful space underneath, allowing you to keep the desk tidy
To adjust the height of the booster seat simply press the button on the leg and lift the platform to adjust between the different height levels
Vented design improves direct airflow to the supported device
Monitor stand designed for the home, office or gaming stations

DATASHEET

Ergonomic monitor stand with drawer, 3-way height adjustable

Material: metal
Surface finish: rubber
Black colour
Suitable for: printers, monitors, laptops and other office equipment
Maximum weight supported: 20 kg

Dimensions
Width: 370 mm
Depth: 235 mm
Height: 120 mm
Drawer dimensions: 322 x 50 mm

Height adjustment
Three possible adjustments: 100mm / 120mm / 140mm

Package contents
Height-adjustable monitor stand with drawer and side storage

Technical properties	
Adjustable height	True
Cable management system	False
Colour	black
Depth	235 mm
Height	120 mm
Lifting capacity	20 kg
Material	Steel
Mounting method	Desktop mount
Number of joints	0
Number of monitors	1
Rotatable (portrait/landscape)	False
Suitable for	Tablet computer
Width	370 mm

Available variants

ArtNr.	Bezeichnung	Load bearing capacity
ICA-MS-114	Ergonomic monitor stand with drawer, 3-way height adjustable	20 kg

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and
