DATASHEET

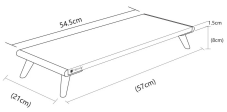

Techly Universal and Ergonomic Monitor Stand

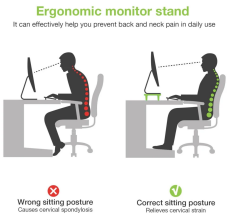

General data

The desk riser allows you to raise your monitor to a more comfortable viewing position, reducing neck and back strain and creating additional space to keep commonly used items within reach. Especially useful for storing the keyboard and mouse in the lower space
The 54.5 x 21.0 cm walnut veneer MDF panel is waterproof, scratch-proof and easy to clean. It is large enough to accommodate a monitor, a tablet and additional speakers on its surface. Furthermore, it can also be used as a printer stand, laptop stand or projector stand
The stand is well balanced and the four white ABS legs with non-slip silicone coating guarantee maximum stability

Dimensions

Width: 545 mm
Depth: 210 mm
Height: 80 mm

DATASHEET

Techly Universal and Ergonomic Monitor Stand

Shelf thickness: 15 mm

Package contents

ICA-MS 389 ergonomic booster seat

Technical properties	
Colour	white
Depth	210.0 mm
Height	80.0 mm
Mounting method	Desktop mount
Width	545.0 mm

Available variants

ArtNr.	Bezeichnung	Unique
ICA-MS-389	Techly Universal and Ergonomic Monitor Stand	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
