DATASHEET

Wall support for LCD TV LED 23" - 55" slim fixed black

General data

• Bracket slim design allows a distance of only 23 mm from the wall, the best profile for both the installation and for the pleasing result
• Fast installation thanks to an intelligent locking and folding stand that makes connecting cables
• The relay angle present on the end of the bar Vesa allow full access to the rear panel of the monitor for maintenance
• The built-in level control allows you to adjust the position of the TV even if the wall plate is installed slightly off level

Features

• Bracket for TV slim thin 23-55 "
• Supports up to VESA 400x400 mm
• Maximum weight supported: 50 kg
• Equipped with bubble level

DATASHEET

Wall support for LCD TV LED 23" - 55" slim fixed black

- Distance from wall: 23 mm
- Width: 450 mm
- With bubble level
- Color: Black

Package Contents
- Supports TV Wall
- Mounting material
- Instruction Manual

Technical properties	
Suitable for	Television set

Available variants

ArtNr.	Bezeichnung	Unique
ICA-PLB-140M	Wall support for LCD TV LED 23" - 55" slim fixed black	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
