DATASHEET

Wall support for 1 LCD TV LED 43"-90", wall distance: 49mm, black

General data

- This is a fixed TV mount that can hold your large TVs up to 90”in size and 70kg in weight firmly
- The foldable design reduces shipping cost while maximizing shelf space
- For better safety and security, its anti-theft design provides great protection

Features
- Universal slim bracket heavy-duty for 43-90" TVs with folding design
- Supports VESA up to 800x400
- Max weight supported: 70 kg
- Tool-less Tilting design: allows for tilt the TV position from +3° to-12°
- Open architecture provides increased ventilation and easier access to wires
- Anti-Theft Locking Hole: for additional security preventing any unwanted removal (extra padlock required)
- Automatic spring locks with quick release cords

Specification
- Distance from the wall: 49 mm
- Compatible VESA: 200x200, 300x200, 300x300, 400x200, 400x300, 400x400, 600x400, 800x400
- With direction indication for easy installation
- Tilting: +3°~-12°

DATASHEET

Wall support for 1 LCD TV LED 43"-90", wall distance: 49mm, black

- Compatible with curved TV
- With magnetic bubble level
- Color: black

Package contents

- Fixed Heavy-Duty Folding TV Mount for 43-90" TV
- Hardware material
- User's manual

Technical properties	
Colour	black
Depth	49.0 mm
Height	215.0 mm
Lifting capacity	70.0 kg
Mounting method	Wall
Suitable for	Television set
Width	890.0 mm

Available variants

ArtNr.	Bezeichnung	Unique
ICA-PLB-590	Wall support for 1 LCD TV LED 43"-90", wall distance: 49mm, black	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
