

DATASHEET

Motorized TV Trolley with adjustable Height for TV 55-100" black

General data

Motorized TV trolley suitable for TVs from 55" to 100"; The dual motor offers heavy TV lifting capabilities and increased stability

Sturdy steel construction securely holds the heaviest TVs; The maximum load capacity of the motorized TV lift is 120 kg

TV floor stand with adjustable height from 1100 to 1600 mm; Max VESA supported 800x600

Electric trolley with integrated cable management for a tidy and clean installation; Sturdy base with wheels

TV stand dimensions: 1075 x 970 x 1425~1925 mm; Column Size (Main Column/Extension Column):

86x46x1.5tx890mm/80x40x1.5tx870mm; Color: matte black; Remote control supplied

Electric TV lift made for office, education and hospitality. The ICA-TR68M height adjustable motorized cart is a versatile solution for those looking for mobile and shared TV viewing for presentations, video conferencing and much more. The powerful dual motor design provides ample capacity to lift and lower even the heaviest 55"-100" TVs with much ease.

The wide height range of 1100-1600mm, controlled by two-memory RF remote control, accommodates various room sizes for comfortable viewing, regardless of setting. It's the perfect solution for collecting, displaying and sharing information.

Features

DATASHEET

Motorized TV Trolley with adjustable Height for TV 55-100" black

Dual motor drive provides the ability to lift heavy TVs and maintain greater stability
 Electric floor standing TV lift, effortlessly height adjustable
 Sturdy steel construction securely holds the heaviest TVs
 The included remote control allows you to adjust the TV quickly and easily
 Four heavy-duty wheels with locking mechanism can be moved or stopped at will

Technical specifications

TV stand material: aluminium, steel, plastic
 Sheet thickness: 2 mm cold rolled sheet
 Surface finish: powder coating
 Size of the screens supported by the motorized bracket: 55"-100"
 Height range: 1100~1600mm
 VESA supported:
 200x200,300x200,400x200,300x300,400x300,600x200,350x350,400x400,600x400,800x400,800x600
 Max weight supported: 120 kg
 Trolley with integrated cable management
 Euro 2-pole CEE 7/16 Italian plug
 Base with wheels
 TV stand colour: matt black
 Size
 Width: 1075mm
 Depth: 970mm
 Adjustable height: 1425~1925mm
 Column size (main column/extension column): 86x46x1.5tx890mm/80x40x1.5tx870mm
 Certifications
 EC
 FCC

Box Contents

TV trolley 55-100" adjustable in height
 Adjustment remote control
 User Manual 6x1.5tx890mm/80x40x1.5tx870mm; Color: matte black; Remote control supplied

Technical properties

Lifting capacity	120.0 kg
Mounting method	Floor
Suitable for	Television set

Available variants

ArtNr.	Bezeichnung	Unique
ICA-TR68M	Motorized TV Trolley with adjustable Height for TV 55-100" black	Unique
