# DATASHEET

## Techly USB-C male to VGA female short flat FPC cable

### General data

Connections: USB-C™ male to VGA female; Compatible with smartphones, laptops, notebooks, tablets and other devices with a USB-C™ port.
Useful for connecting a USB-C™ device to a VGA monitor, television or projector to view content more clearly and shareably.
Supports 1080P/60HZ video resolution; Aluminum shell with flat TPE FPC (flexible circuit board).

Thanks to its flat, tangle-free design and length of just 11.95 cm, it can be easily placed in your pocket, bag or suitcase and taken with you.

Technical specifications
Flexible USB-C™ to VGA female adapter
Support: 1080P/60HZ
IC Solution: RTD2169U
Aluminum shell with flat TPE FPC (flexible circuit board)
This item requires "Alternate Mode" of USB; You need to check if the Type-C port supports "alternative modes"
Compatible with Windows 10/8.1/8, Mac OS and Chrome, Samsung S8/S9
Length: 11.95cm
Colour: Black
