

# DATASHEET

## IP67 Receptacle, M25, HDMI, F-M, A-A, 1.0m

### General data

IP67 panel socket for installation in distributor boxes with M25 cut-out.

With built-in HDMI2.0 connection cable male / male | Material: brass

Maximum resolution: 4K 60Hz

With dust protection cap

### Technical properties

|                                        |                     |
|----------------------------------------|---------------------|
| Connection type connection 1           | jack                |
| Connection type connection 2           | Plug                |
| Dust cover                             | True                |
| Model                                  | panel socket, 1m    |
| Number of poles connection 1           | 19                  |
| Number of poles connection 2           | 19                  |
| Suitable for degree of protection (IP) | IP67                |
| Type of connector connection 1         | HDMI Type A         |
| Type of connector connection 2         | HDMI Type A         |
| Type of housing                        | Brass nickel-plated |
| Type of locking                        | M25                 |
